ABIDE BY SKYE MALONE

AN AWAKENED FATE NOVELLA (AWAKENED FATE #3.5)

Blurb / Synopsis:

Life in her underwater home of Nyciena has always been fun and games to Ina Ociras, until now. Her brothers are missing. Her father is gone. The adventurous party girl is fighting just to keep her family from falling apart, all while avoiding Egan, the guy who committed the one crime she can't possibly forgive.

But when she receives a message that changes everything, Ina suddenly finds herself embroiled in a conspiracy more horrifying than she could have imagined. One that strikes at the heart of her kingdom, and one that could destroy her family once and for all.

~An Awakened Fate Novella which follows Return, Book Three of the Awakened Fate Series~

Author Information:

Skye Malone is a fantasy and paranormal romance author, which means she spends most of her time not-quite-convinced that the magical things she imagines couldn't actually exist.

A Midwestern girl who migrated to the Pacific Northwest, she dreams someday of travelling the world – though in the meantime she'll take any story that whisks her off to a place where the fantastic lives inside the everyday. She loves strong and passionate characters, complex villains, and satisfying endings that stay with you long after the book is done. An inveterate writer, she can't go a day without getting her hands on a keyboard, and can usually be found typing away while she listens to all the adventures unfolding in her head.

Excerpt

The guards took up positions beside me when I left the room and headed for the main hall.

“Princess.”

I tried not to swear, knowing anyone who overheard would only use it as gossip about my current mental state.

But a slew of choice words presented themselves.

This wasn't fair, I told the universe silently. Not even a little bit.

I glanced back to see Egan swimming down the hall toward me. With his silver scales, dark eyes, and hair so light it seemed like snow even though he was only a year older than me, he looked like a sculptor's dream, and just as incredible as ever.

It only made me hate him a little bit more. Killing that damn flutter in my stomach would've been so much easier if he was ugly.
