About Skye Malone

Skye Malone is a fantasy and paranormal romance author, which means she spends most of her time not-quite-convinced that the magical things she imagines couldn't actually exist.

A Midwestern girl who migrated to the Pacific Northwest, she dreams someday of traveling the world — though in the meantime she'll take any story that whisks her off to a place where the fantastic lives inside the everyday. She loves strong and passionate characters, complex villains, and satisfying endings that stay with you long after the book is closed. An inveterate writer, she can't go a day without getting her hands on a keyboard, and can usually be found typing away while she listens to all the adventures unfolding in her head.

Skye also writes YA urban fantasy as Megan Joel Peterson and is the author of *The Children and the Blood* trilogy.
